WELCOME TO MASSACHUSETTS

We're very excited about hosting the World Cup Soccer matches and we hope you have a safe and pleasant experience as you explore the state. You'll find that Boston and neighboring Cambridge are quite small cities so it's easy to get around and enjoy all there is to see and do. You can reach all corners of the state in 2 to 2 1/2 hours or less.

You can stroll through 300 years of America's history on Boston's Freedom Trail. Go whale watching, shop in boutiques and discount "outlet" stores, explore sandy beaches and rocky harbors. See how the Pilgrims lived and visit classic New England villages with their clapboard houses and white-steepled churches.

While you're here don't forget to sample our array of fresh-from-the-ocean-seafood.

Best of all wherever you go in Massachusetts, you will find a warm welcome.
